APPLICATION FOR REFUND OF BANK CHARGES AND AUDIT FEES FOR THE FINANCIAL PERIOD ENDED ON:

Please read the following important notes before completing the form.

1 This form must be used for claims in respect of financial periods ending after 1 March 2012.
2 The Funds Board of Control has resolved that practitioners may deduct the full amount of trust account bank charges from interest earned, subject to compliance by practitioners with the standardised banking arrangements for attorneys trust current banking accounts as specified on the Funds website at www.fidfund.co.za.
3 Trust interest, after the deduction of bank charges explained in 2 above, must be paid over to the practitioners Law Society. Alternatively, practitioners may prefer to pay over the gross interest and claim a refund later according to the formula as set out below.
4 Practitioners please note – The formula provides an incentive to maximise returns from the trust balances under your control.
5 Bank charges do not include the cost of cheque books other than those issued by the bank. Only exceptional bank charges incurred at the special instance of a client should be recovered from the client.
6 Application for refund must be made by not later than the end of the calendar year after that in which the financial year in question ends, failing which such application will not be considered, except in exceptional cases.

GETROUHEIDSFONDS VIR PROKUREURS

AANSOEK OM TERUGBETALING VAN BANKKOSTE EN OUDITGELDE VIR DIE FINANSIëLE TYDPERK EINDIGENDE OP:

Lees asseblief die volgende belangrike notas voordat u die vorm invul.

1 Hierdie vorm is van toepassing op finansiële tydperke wat ná 1 Maart 2012 eindig.
2 Die Fonds se Beheerraad het besluit dat praktisyns die volle bedrag van bankkoste op hulle lopende trustbankrekenings mag afsit teen rente verdien, onderhewig daaraan dat praktisyns voldoen aan die gestandardiseerde reelings met banke ten opsigte van trustbankrekenings, soos uiteengesit op die Fonds se webwerf te www.fidfund.co.za.
3 Nadat die bankkoste soos in 2 uiteengesit afgetrek is, moet u die balans trustrente aan u wetsgenootskap oorbetaal. Alternatiewelik kan praktisyns die bruto trustrente oorbetaal en daarna die bankkoste ooreenkomstig die formule hieronder terugeis.
4 Let asseblief op – die formule stel 'n aansporing daar om die maksimum rente op trustbalanse onder u beheer te verdien.
5 Bankkoste sluit slegs die koste van tjekboeke in indien die bank dit voorsien. Slegs uitsonderlike bankkoste, aangegaan op aandrang van 'n kliënt, moet van die kliënt verhaal word.
6 Aansoeke om terugbetaling moet binne een jaar na verstryking van elke finansiële jaar ingedien word. Laat aansoeke sal slegs in uitsonderlike gevalle oorweeg word.

VOLTOOIDE VORMS MOET NA U STATUTÊRE PROKUREURSORDE GESTUUR WORD.
